### **Exclusive Bed & Breakfast**

Our three spacious double rooms, each individually furnished provide luxury en-suite accommodation. Bowden is a very special place to stay with exceptional surroundings and service. A roll top bath awaits you in the Beech room, a private oak staircase leads you to the Oak room with its four-poster bed and the Ash room has a luxury 6ft bed.

### **Relaxing surroundings**

Bowden combines the comforts of modern living with the romance of the past. You'll find stunning period features and antiques carefully mixed with contemporary furnishings and artefacts collected from our world travels to create a relaxed, informal atmosphere.

Our guests have the exclusive use of a beautifully furnished, spacious oak beamed drawing room with an inglenook fireplace. The adjoining dining room with slate flagged floor and French windows leading to the pretty cottage garden is where our delicious breakfasts are served with organic and local produce being offered wherever possible. Packed lunches are available on request.

### **Meet new friends**

We like our guests to treat Bowden as their second home. Feel free to come and go as you please; enjoy the experience of country living and take the opportunity to make new friends in this relaxed, rural haven.

During the summer months, on mild balmy evenings, you are welcome to barbeque in the private cottage garden; this is the ideal way to unwind and share your adventures. Otherwise our guests enjoy any of the excellent local country pubs and restaurants including the nearby gastro pub only 2½ miles away by car or a mile on foot.
